

## Our Vision:

In 2007, Cristine and I were called to an unlikely mission field: America, as Seasons of Life Ministries, to help others *keep the main thing the main thing*:

*“Jesus at the center and live everyday with an eternal mindset.”*

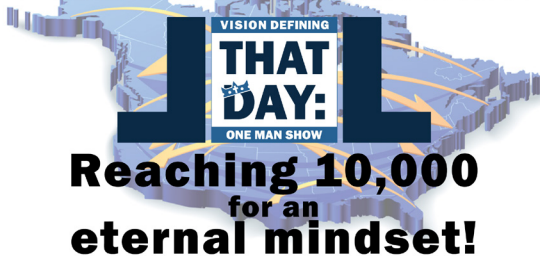

## The Method:

That Day is a one man show I perform that sets the idea of **living everyday with eternity in mind** deeply into the mind of everyone who sees it. ([www.thatday.info](http://www.thatday.info)) Followed up by “Clean Slate” Leader Training ([zeroinbox.org](http://zeroinbox.org)). But, Leader’s Lunch (below) is how we gain exposure for both...

**Vision 2017: expose That Day to 10,000 people in the Southeastern US!**

## Leader’s Lunch

## How We’re Reaching Out:

We’ve set up “Leader’s Lunches” for pastors and marketplace ministry leaders where we give them free lunch and a preview performance of “That Day”. *And, it’s is beginning to make a lasting impact.*

We’ve discovered 3 ways *you can help multiply that impact and reach the 10,000.*

Typically, we have to charge organizations or attendees for the show. It keeps the lights on. We’ll continue to charge as needed, **but** that’s a more “for profit” approach.

## What if There’s a Better Way?

Taking a “*for purpose*” approach - through increased donor support - will help bring That Day and Clean Slate Leader Training *to churches & organizations that don’t have massive budgets*. To accomplish that, we need to raise about \$31,000 by year end.

## How? Q: Name the 4 big November holidays...
