

# Seasons of Life Ministries 2016-17 Ministry Focus:

Over time, we've seen God use this ministry in 4 connected ways, transforming people, churches, and organizations at 4 different levels and seasons of life.

## Level 1: Defining Vision.

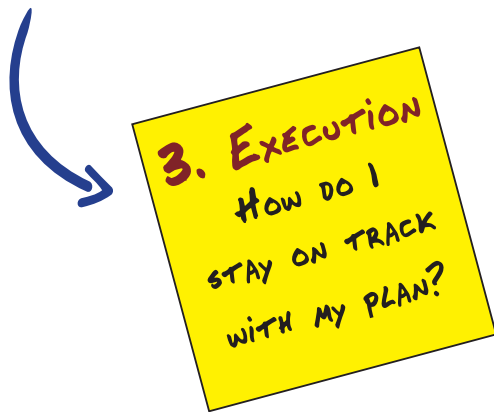

We perform "That Day", a one man play about defining God's *vision* for our lives. It's an entertaining way to open *eyes and ears* to the facts that:

- we're called by & accountable to God
- present obedience impacts eternal rewards

## Level 2: Clarifying Strategy.

Our Clean Slate workshops and training program help *align hearts and minds* with a *plan* to achieve that vision.

Known for decluttering calendars, to do lists, and inboxes; and "de-frustrating" work, relationships, and lives in general.

## Level 3: Executing that Plan.

Using one on one discipleship and micro-group coaching, we're helping keep *hands and feet* engaged and *on track* despite the distractions, interruptions, and overwhelm waiting at every turn.

Level 4: Ongoing "Stay in the Word" on IOS & Android, helps people stay grounded in truth & reinforce growth.
